

Carbon Reduction Commitment & Action Plan

Carbon Reduction Commitment & Action Plan

BP Med Limited | United Kingdom

Last Updated: May 2025

OVERVIEW

BP Med Limited is committed to supporting the UK Government's target of achieving Net Zero carbon emissions by 2050. This Carbon Reduction Commitment outlines our goals, baselines, and ongoing actions in accordance with UK Procurement Policy Note (PPN) 06/21 and the NHS Net Zero Roadmap.

COMPLIANCE FRAMEWORK

- UK Net Zero by 2050 Target
- NHS Net Zero Supplier Roadmap
- Public Procurement Notice (PPN) 06/21
- ISO 14001: Environmental Management Systems

ORGANIZATIONAL CONTEXT

- We do not own or operate any delivery vehicles.
- From 2022 to 2024 (post-pandemic), our team was small (2 staff) and focused primarily on remote working (WFH), product registration with MHRA, and NHS framework alignment.
- In 2025, we transitioned to a more energy-efficient office to reduce operational emissions.
- In 2026, we plan to acquire electric vehicles for medical representatives to reduce transportation-related emissions during hospital visits.

BASELINE EMISSIONS

We are establishing 2024 as our carbon emissions baseline year for Scope 1 and Scope 2. This data will be used to measure all future reduction efforts.

TARGETS

- Report carbon emissions annually starting in 2026
- Achieve 30% reduction in Scope 1 and Scope 2 emissions by 2030
- Deploy low-emission fleet operations by 2026
- Reach carbon neutrality for business travel by 2035

ACTIONS TAKEN TO DATE

- Adopted paperless systems for procurement, HR, and invoicing
- Partnered with low-emission logistics providers
- Reduced travel emissions by implementing digital meetings
- Shifted to energy-saving office infrastructure in 2025

FUTURE ACTION PLAN

- Full GHG inventory assessment by Q4 2025
- Switch to renewable energy providers by 2027
- Procurement policy to prioritize low-carbon suppliers starting 2026
- Employee training program on carbon footprint reduction

MONITORING & REPORTING

We will publish a verified Carbon Reduction Plan annually beginning in 2026. Progress will be publicly disclosed and audited to maintain transparency.

STATEMENT OF COMMITMENT

BP Med Limited acknowledges the healthcare sector's responsibility in climate action and is

dedicated to continuous carbon reduction through practical and measurable initiatives.

Signed,

Quisam Ilyas

Director

BP Med Limited
