Supplier Code of Conduct

BP Med Limited | United Kingdom

Last Updated: May 2025

BP Med Limited expects all suppliers and partners to uphold ethical, legal, and environmentally responsible standards.

Key Principles:

- No child labor or forced labor
- Fair wages and working conditions
- Compliance with anti-bribery laws
- Commitment to reducing environmental impact
- No discrimination or harassment

Suppliers must:

- Sign a compliance agreement
- Allow audits where necessary
- Report any violations to our compliance team

Non-compliance may result in termination of contract.

Signed,

Quisam Ilyas
